4 (13) "Substantive rules" are either:

10  
11 **Section 2.** Section 2-4-405, MCA, is amended to read:

12 **"2-4-405. Economic impact statement.** (1) Upon written request of the appropriate administrative rule  
13 review committee based upon the affirmative request of a majority of the members of the committee at an open  
14 meeting, an agency shall prepare a statement of the economic impact of the adoption, amendment, or repeal of  
15 a rule as proposed, including seasonal rules adopted annually or biennially relating to hunting, fishing, or trapping.  
16 The agency shall also prepare a statement upon receipt by the agency or the committee of a written request for  
17 a statement made by at least 15 legislators. If the request is received by the committee, the committee shall give  
18 the agency a copy of the request, and if the request is received by the agency, the agency shall give the  
19 committee a copy of the request. As an alternative, the committee may, by contract, prepare the estimate.

20 (2) Except to the extent that the request expressly waives any one or more of the following, the  
21 requested statement must include and the statement prepared by the committee may include:

22 (a) a description of the classes of persons who will be affected by the proposed rule, including classes  
23 that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

24 (b) a description of the probable economic impact of the proposed rule upon affected classes of persons,  
25 including but not limited to providers of services under contracts with the state and affected small businesses,  
26 and quantifying, to the extent practicable, that impact;

27 (c) the probable costs to the agency and to any other agency of the implementation and enforcement  
28 of the proposed rule and any anticipated effect on state revenue;

29 (d) an analysis comparing the costs and benefits of the proposed rule to the costs and benefits of  
30 inaction;

1 (e) an analysis that determines whether there are less costly or less intrusive methods for achieving the  
2 purpose of the proposed rule;

3 (f) an analysis of any alternative methods for achieving the purpose of the proposed rule that were  
4 seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule;

5 (g) a determination as to whether the proposed rule represents an efficient allocation of public and  
6 private resources; and

7 (h) a quantification or description of the data upon which subsections (2)(a) through (2)(g) are based and  
8 an explanation of how the data was gathered.

9 (3) A request to an agency for a statement or a decision to contract for the preparation of a statement  
10 must be made prior to the final agency action on the rule. The statement must be filed with the appropriate  
11 administrative rule review committee within 3 months of the request or decision. A request or decision for an  
12 economic impact statement may be withdrawn at any time.

13 (4) Upon receipt of an impact statement, the committee shall determine the sufficiency of the statement.  
14 If the committee determines that the statement is insufficient, the committee may return it to the agency or other  
15 person who prepared the statement and request that corrections or amendments be made. If the committee  
16 determines that the statement is sufficient, a notice, including a summary of the statement and indicating where  
17 a copy of the statement may be obtained, must be filed with the secretary of state for publication in the register  
18 by the agency preparing the statement or by the committee, if the statement is prepared under contract by the  
19 committee, and must be mailed to persons who have registered advance notice of the agency's rulemaking  
20 proceedings.

21 (5) This section does not apply to rulemaking pursuant to 2-4-303.

22 (6) The final adoption, amendment, or repeal of a rule is not subject to challenge in any court as a result  
23 of the inaccuracy or inadequacy of a statement required under this section.

24 (7) An environmental impact statement prepared pursuant to 75-1-201 that includes an analysis of the  
25 factors listed in this section satisfies the provisions of this section."
